Dedication

Education means training people into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all--by example.

John Ruskin

We the Senior Class of 1964 with gratitude and appreciation do lovingly dedicate this the 27th edition of THE BUILDERS to Willie Griffin Jenkins who has challenged each of her students through the fine Christian example she has set before them. We will always remember the cheerfulness that surrounded our year with her and be indebted to her for showing us the joys of education.

A child, entering elementary school for the first time, finds that a new world has been opened to him and all his friends. Through these seven years, he obtains new ideas, develops new hobbies and interests, and increases his knowledge. As he progresses, he and his parents save papers, drawings, and handicraft as a record of his achievement as well as for sentimental reasons.

In one such collection, we found a book of poems, written and compiled by the fifth grade of Jarratt High School in the school year 1956-57. The completed work was entitled "Our Poems" and each selection from it, presented here, was written by a senior of 1964. These gems of literature are written here exactly as they were written in the book, errors included.

Here come the train
With big bump and bang
Here come a plane
That hasn't gone on land
Here come a car
That go fast and far
Mary Gold was a happy old soul
Who had a lot of gold
She put some coal in a hole
And watched it turn to gold.
Ralph Harris

OUR UNITED STATES

Our Untied States is big and round,
With big states and little towns,
With waters on each side,
Oh, our U.S. is so wide,
There are a few big towns,
Scattered here and there,
And big lakes everywhere,
Everyone loves our country great,
With big towns and little gates,
With boys and girls and parents fine,
With oranges, apples of all kinds.
Billy Ballance

THE JAMESTOWN FESTIVAL

The Jamestown Festival of '57
Opens every morning about eleven.
There you'll see the fort restored
Even the very same kind of board.
You'll see a statue of Captain John Smith
And Pocahontas the lively young Miss.
Three you see the ships numbered three
That once from England did flee.
You'll see Queen Elizabeth there in September
With jewels and furs that shine like embers.
Suzanne Owen

I thought I saw a bogger man,
But it was a pile of sand,
I thought I saw the White House,
But it was a fat mouse,
I thought I saw a bucket of tar,
But it was only a honey jar.
Aubrey Harrison

GOOD HABITS

If you keep yourself neat and clean
You will be proud to be seen
Brush your teeth nice and white
They will shine like day light.
Scrub your body 'til its red,
Then you will be ready for bed.
Marie Bottoms

THE OUTDOORS

The trees and bushes all so green,
They looked to me like a fairy's queen,
The ground so soft and brown,
You'll never guess what I found,
I found a little red bird,
But not a word was heard,
We decided we would look,
So all we saw we put in a book,
We came back and read and read
Till we had to go the teacher said.
Daphne Owen

THE DUCK POEM

A duck dresses like a boy
He warbles a he walks
For he logss and logs
When a duck swims
He swims in the dim
He warbles in the stream
Singing to him
When a duck quacks
He seems to state facts
He lives in a pool
But doesn't go to school.
Clifford Richardson

AT THE FARM

Look my friend! Look real hard.
Thats not a baby, thats a hog.
Over in a fence theres a baby colt.
Now look that, he is trying to eat a bolt.
Over in fence far, far away
Here comes old farmer Gray.
With his daughter Clementine.
I with that old mule was mine.
To ride to town and all those things
And a horse and calf that could sing.
Jean Rideout

ABE LINCOLN

Abe Lincoln never traveled the sea,
He was taller than you or me,
He always said "Let everything be,
Honest, brave we did see,
He made people happy as could be,
To the White House went he,
Good a president went to be,
Beverly Ann Parker

BOYS

During the summer all the children quit
All there work in the classes and give mother a fit.
Johnny climbed an apple tree an tore his pants.
Little brother Bill filled the sugar bowl with ants.
Tommy put a frog in his little sisters bed.
Jack poisoned the cat, next morning it was dead.

Class Prophecy

This morning as I sat down to read the newspaper, I had to look twice. Before me, I held in my hands a newspaper of the future.

The lead story was headlined "Beverly Parker, World's Greatest Woman Athlete, Gives Birth to Sex-tuplets." Beverly always said she wanted six children but, I didn't know she meant all at once.

What a coincidence! The attending physician was Dr. Daphne Owen. She's soared to great heights since her days at good ole J.H.S.

Beverly's first visitor was Judy Hall who flew in from Cape Kennedy where she holds the position of chief mathematician of the United States space program.

Jean Rideout flew up from Florida to visit and invited the mother and children to Florida where everything's "SONNY".

Marie Bottoms sent a wire of congratulations. We understand that she is rather busy in her job as secretary to Virginia's present governor.

The only one of Beverly's friends who wasn't heard from was Suzanne Owen. She is with her husband who is somewhere overseas.

In the next article, I read about a promising young dentist, William Ballance, who had just opened his office in Jarratt.

Next, in the business section, I saw that Clifford Richardson, famous for his dealings in oil, had bought up the "SKIPPY" Peanut Butter Company on the side.

Then, an article announcing a rock and roll show in Richmond caught my eye. I noticed that Sonny Horner would be among the stars. He became famous when he brought back that all-time favorite "JEANNIE With the Light Brown Hair."

One of the letters to the editor was written by Aubrey Harrison. Believe it or not, in the family tradition, Aubrey has become a teacher.

Do you remember the quiet boy in the Class of '64, Ralph Harris? As I glanced through the book review section, I saw that his book, "How to Succeed Without Ever Really Talking," is now number one on the best seller list.

Louis Briley, who used to drive a school bus at JHS, now owns a bus company with which he can "HALL" many people.

Jarratt has now become such a prospering community that new housing developments are springing up everywhere. The next article featured the first three families to occupy these modern homes: Mary Elizabeth and David Zimmerman, Sandra and Wayne Harris, and Lorene and Melvin Harrell.

Another bit of Jarratt news I read was that the famous nurse, Deanna Willis, has come to Jarratt to head up a Red Cross drive.

On the sports page, I found that Charles Ricketts has just won the Indianapolis 500--on his motorcycle no less!

Jeanne Williams was pictured peering over stacks of fan mail. She is now secretary to a famous movie star.

Next, on the society page, I saw that well-known playboy, Larry Craft, surrounded by several beautiful girls. Larry got his start at Weldon Mills and now owns several such companies.

Finally, I reached the comic section and was surprised to find a new addition, drawn by none other than Ralph Miller.

A complete reorganization of our newspaper in 1963-64 has produced a new name, ACES ADO, to replace the old one, JARRATT HI NEWS AND VIEWS. In order to promote more journalistic training, a new staff has recently been organized. The work of the newspaper is no longer done as the project of a single class, but is handled by an honorary staff, composed of students from the entire school. Greater concentration is being placed on quality and accurate reporting of news and interviews.

Pictured above is the original staff and listed are the members of the original executive staff.

Beta Club

The officers of the Beta Club are:

President. . . . Daphne Owen

 Secretary. . . Frankie Pennington
 Treasurer. . . . Donnie Harrell

The Beta Club is under the leadership of Miss Mary Rideout.

Pictured above in the Beta emblem are: left to right; Daphne Owen, Joan Hall, Frankie Pennington, Donnie Harrell, Frances Harrell, Suzanne Owen, Judy Hall and Miss Mary Rideout.

The Beta Club is a non-secret leadership service organization for high school students maintaining at least a "B" average in every class.

The club began this year with four members and initiated three this fall; Suzanne Owen, Judy Hall and Frances Harrell.

The main project of the Beta Club this year was an installation service, given for S.C.A., during which the new "rats" were tapped.

Several members and the sponsor attended the State Beta Club Convention held in Roanoke in the spring.

Mrs. Hazel Leonard is the sponsor of the high school S.C.A. The officers are: Billy Ballance, President; Ann Lyzotte, Vice-President; (STANDING) Joan Harris, Reporter; Beverly Parker, Treasurer; and Frances Harrell, Secretary.

High School S. C. A.

The Student Cooperative Association of Jarratt High School, under the direction of Mrs. Hazel Leonard, meets once each month in the high school auditorium.

The goals of the S.C.A. for this year are to work toward better understanding between students and faculty, to send one student to the State or National Conventions, to send all the officers to district meetings and workshops, to publish a handbook which was compiled last year and to sponsor one social activity for its members during the year.

In addition to this, during basketball season, all pep rallies are sponsored by the S.C.A.

Elementary S. C. A

The main project of the Elementary Student Cooperative Association, this year, has been the promotion of the work of the Safety Patrol. In addition to this, the SCA has stressed citizenship, the improvement of manners and courtesy, learning the objectives and aims of the organization, reading and the study of the Fine Arts. The annual March of Dimes drive was conducted by the Welfare Committee.

After a period of active campaigning for the offices of the SCA, a candlelight installation service was held for the newly elected officers to end a successful year of Elementary SCA work.

Due to the fact that Mrs. Holloway travels between Stony Creek and Jarratt, spending only the morning with us, it has become necessary to have student helpers in the library.

The Library Club has been organized to assist Mrs. Holloway and to take charge during her absence. The student helpers also learn the different phases and skills of library work during the school year.

After two days of practicing together, the four glee clubs in the county showed their achievements at the concert given on Sunday. The combined choral group was under the direction of Dr. Bernard W. Busse, Associate Professor of Music of the University of Virginia.

Two members, Judy Hall and Bobby Powell, were chosen to attend the Virginia Music Camp last summer.

Athletics

Girls' Basketball

The Jarratt girls started out this year with a high goal; they were determined to retain the coveted championship that they had fought so hard to win last year. The enthusiasm of their new coach, Mrs. Dorothy Ricketts, made the girls want the honor even more. With a new coach and a high goal to guide them, the girls once more brought to Jarratt High School the honor of having the champion girls' team of District C.

During the regular season of play, the Jarratt girls won thirteen of the fourteen games that they played. Their only loss was to McKenney in sudden death play-off. When the tournament began, Jarratt ranked first and was scheduled to play the fourth place team, Waverly. Jarratt's girls defeated Waverly 44 to 18 and immediately turned their thoughts toward the final game with arch rival Stony Creek. Throughout the season, Stony Creek had proved to be rough competition, but the determined Jarratt team was just too much for the Stony Creek girls. The final score found Jarratt the victor, 32 to 25. For the third consecutive year, Jarratt brought home the girls' trophy.

Four of Jarratt's players were chosen for the District All-Star Team: Marie Bottoms, Beverly Parker, Judy Hall and Jean Rideout. Marie Bottoms and Beverly Parker were also chosen for the Tournament All-Star Team.

Pictured above, the team members are: KNEELING, left to right, Daphane Owen, Marie Bottoms, Beverly Parker, Jean Rideout, Mary Frances Craft, and Judy Hall; STANDING, left to right, Jean Pennington, Connie Edwards, Irene Zimmerman, Mrs. Ricketts, Bernice Williams, the team mascot, Sondra Ezelle, Joyce Hall, Joan Harris, and Patsy Parker.

Boys' Basketball

"It's not whether you win or lose but how you play the game." This simple sentence may not be any consolation to the members of the basketball team, but it sums up the feelings of most of their followers who rejoiced with them in their victories and shared their sorrow at losses.

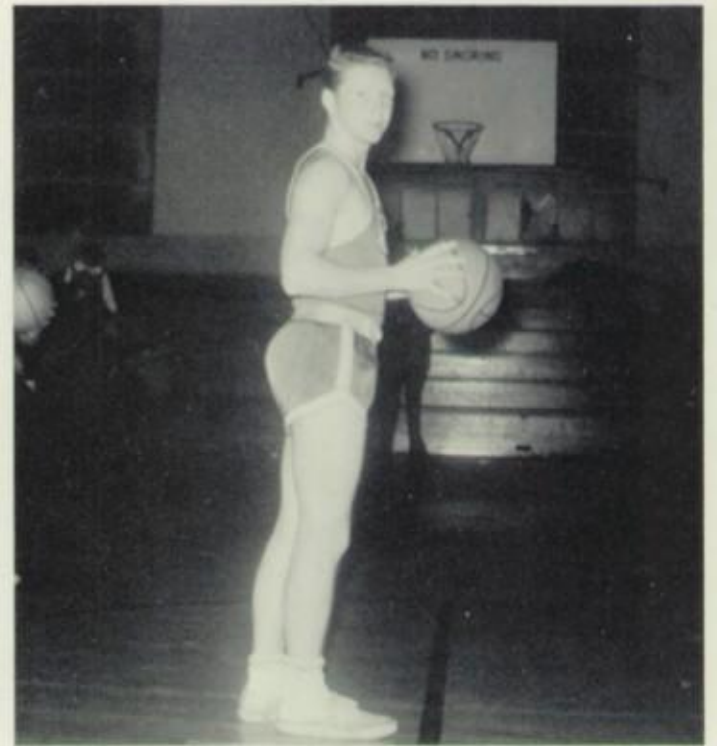

The boys finished the season with a record of three wins and eleven losses. This was in no way an indication of the ability, sportsmanship, or teamwork of the boys, for, in all three areas, the Jarratt Aces rated high. The first team consisted of two seniors, two juniors, and one sophomore. Each had his own special ability, so that, when they were put together, they formed a well-rounded team. Their three victories, Surry once and Stony Creek twice, were wonderful examples of all three--ability, sportsmanship, and teamwork. The Aces last victory over Stony Creek made them eligible for the tournament. Although Jarratt did not win that first tournament game, their playing was by far superior to that of the opposing team, McKenney, who seemed stunned. The final score was McKenney 46 - Jarratt 41. That game was perhaps the most exciting of the season. The Aces, with their spirit of determination, have made Jarratt High School very proud of them, this year.

Pictured above are the members of the team. They are: KNEELING, Freddy Briley, Mr. J. C. Kimberlin, coach, and Aubrey Harrison; STANDING, left to right, Richard Bria, Chipper Brown, Gil Mattox, Alfred Coleman, Leland Ozmar, Billy Ballance, Tommy Horne, Clifford Richardson, and Curtis Owen.

Girls' Softball

Last year's softball team got off to a bad start by losing the first two games they played. But determined as they were, they did not let this bother them too much, and to prove it, they went ahead to win the next five games, with Waverly forfeiting theirs. Mrs. Lucy Saunders coached the team last year.

Even though they lost two players last year, the team this year hopes to be much better than ever before. Mrs. Ricketts is the coach of the girls this year.

Pictured above are some of the members of this year's and last year's teams. They are: KNEELING, left to right, Beverly Parker, Daphne Owen, Jean Rideout and Judy Hall; STANDING, left to right, Ann Lyzotte, Patricia Fannon, Joan Hall, Jean Pennington, Boots Winfield, Joan Harris and Mrs. Ricketts.

Boys' Baseball

Last year, the boys' baseball team got off to a slow start, losing their first two games. Their victory over Wakefield helped the team to regain their good spirits and look ahead with high hopes. The next three losses were disappointing, but nevertheless, the season proved to be successful after all, when the Jarratt boys finished up the season by defeating their arch rival Stony Creek.

Pictured below are some of the members of last year's and this year's teams. They are left to right: FRONT ROW, Ralph Harris, Aubrey Harrison, Richard Bria, Ronnie Richardson, Chipper Brown, Meade Fuller, Tommy Parker, and Tommy Horne; SECOND ROW, Allen Conwell, Leland Ozmar, Freddy Briley, Billy Ballance, Onnie Woodruff, Alfred Coleman and their coach, Mr. Kimberlin.
